

LANDING FEES FOR AIRCRAFT <2,000KG MTOW
APPLICATION FOR PRIVATE USE CONCESSION
(for commercially registered aircraft)

NOTE: Where an aircraft is registered to a private individual and has an MTOW less than 2,000kg, the landing fee exemption will be automatically deemed to apply unless Fraser Coast Regional Council (FCRC) identifies the aircraft is undertaking commercial activities.

Aircraft Registration: _____

Aircraft Type / Details: _____

Registered Owner: _____

Ph: _____ **Fax:** _____ **Email:** _____

MTOW: _____

Note: If MTOW >2,000kg, landing fees apply, irrespective of flight activity purpose, as per Council's adopted Schedule of Regulatory & Non-Regulatory Charges.

Proposed Flight Date: _____

Nature of Activity to which Proposed Landing relates (i.e. what non-commercial purpose will your visit be undertaken for in order to support a waiver of landing fees?)

TERMS AND CONDITIONS

1. FCRC reserves the right to accept or refuse the Application & to request additional information during assessment of the Application.
2. A signed Application is conclusive evidence that the applicant declares the information provided in this Application is true and correct.
3. To enable processing, an Application must be submitted to the Airport no less than three (3) business days prior to the proposed landing activity.
